PARAMETERS

Materials	Mohs	Density (%)	Core Features	Applications	Maintenance
Marble	3-4	0.1-0.5	Natural and elegant texture	Villa feature walls / Hotel lobbies	Mild stain protection, avoid heavy impact
Quartzite	7-8	< 0.1	High hardness, scratch & stain resistant	High-end kitchen/bath countertops / Entrance halls	Basically maintenance-free
Travertine	3-5	0.5-1.0	Transparent and soft texture	Star hotel walls / Sales centers	Key anti-seepage treatment required
Onyx	4-6	0.2-0.6	Warm and translucent, high-grade finish	Villa entrances / High-end feature walls	Scratch protection, mild cleaning only
Granite	6-7	< 0.1	Abrasion and impact resistant	High-end outdoor floors / Curtain walls	Maintenance-free
Artificial Quartz	6-7	< 0.01	Standardized finish, stain resistant	Practical kitchen & bathroom countertops	Maintenance-free

About Us

Since founding, Xiamen Smarter Stone has upheld the mission of crafting high-end stone products and presenting natural stone beauty.

We supply natural & artificial stone sinks in diverse styles: pedestal freestanding, wall-hung, garden and integrated box sinks.

With 20 years in the stone industry, we specialize in premium kitchen & bathroom countertops and custom stone products, well recognized by European and American clients.

Mission

Guided by our mission of "Inheriting the craftsmanship and ingenuity of Chinese civilization, building a global palace of stone", we steadfastly uphold the principles of "Stringent material selection and refined craftsmanship".

We continuously innovate our products and consistently provide customers with optimal solutions.

COMPANY PROFILE

Vision

Our vision is to "Become the preferred service provider of one-stop solutions in the stone home furnishing sector".

Facing the period of China's economic transformation towards quality improvement and efficiency enhancement, we will develop and transform towards the stone home furnishing direction, committed to delivering perfect value-added services to our customers.

We will fully leverage China's intelligent processing equipment and exquisite craftsmanship to create more stone masterpieces and customized home furnishings, presenting the unparalleled artistic beauty of stone.

Value

Upholding the core values of Responsibility, Rigor, Dedication, Innovation, Collaboration and Altruism, we align with market trends, gain insight into customers' in-depth needs, address their pain points, and provide precise customized solutions for practical implementation.
